## Declaration of Conformity

### The Stat-X Group

consisting of  
Stat-X Austria GmbH  
Stat-X Deutschland GmbH  
Stat-X Kft  
Stat-X France Sarl  
Stat-X CZ s.r.o.

declares that all our products comply with the requirements of following European Directives and international laws:

### RoHS2 2011/65/EU

Restriction of the use of certain hazardous substances in electrical and electronic equipment that restricts the usage of

Lead (0,1 %), Mercury (0,1 %), Cadmium (0,01 %), Hexavalent chromium (0,1 %), Polybrominated biphenyls (PBB) (0,1 %), Polybrominated diphenyl ethers (PBDE) (0,1 %)

### Directive 2006/122/EC

Prohibition of Perfluorooctane Sulfonates (PFOS)

### Directive 2005/69/EC

Restriction on the marketing and use of Polycyclic aromatic hydrocarbons (PAHs)

### REACH Regulation (EC) 1907/2006

Registration, Evaluation, Authorization and Restriction of Chemicals

### Conflict Mineral Sources statement (US Dodd-Frank Act)

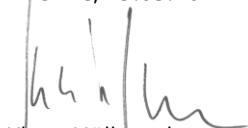

The Stat-X group is not a publicly-traded company in the United States and therefore not required to comply with US Dodd-Frank Act's conflict minerals provisions. However, many of our customers may be subject to this law. The Stat-X group has to date no reason to believe that any of our products was intentionally manufactured with or uses "conflict minerals" (as defined by the US Dodd-Frank Act).

Although the above-mentioned substances are not permitted to be used or to be incorporated into a final product, we can't exclude the possibility that negligible residues may be present.

This declaration of conformity applies only to Stat-X standard items. Customer designed products do need to be confirmed by a separate document.

The information in this document is the best of our knowledge and belief accurate at the time of publication.
